

## **Alleyway Bakery Seasonal Wholesale Price List - All Gluten Free**

Our wholesale menu focusses on seasonality, variety and quality ingredients to keep your customers coming back for more, again and again. Whilst we've nailed the simple chocolate cake and the enduring lemon drizzle, we've also perfected more adventurous combinations to keep your customers interested and to stand out from the cafe-crowd.

Our bakes are handmade in a coeliac-safe gluten-free environment, so your gluten avoidant customers can feel confident that they'll get a slice of cake that they can enjoy without any fear.

Flavours and decoration will depend on seasonality and availability (which allows us to keep costs down and quality up), however feel free to put in a request for a particular flavour too or we can give some suggestions based on the rest of your menu and the tastes of your clientele.

Our bakes are always frosted and finished to a refined yet simple style, and decorated with flavoursome embellishments like fruit, nuts, chocolate work or optional edible flowers, so they look as delicious and eye-catching as can be. There's nothing like a pretty cake on the counter to draw in the crowds.

We offer a deal where we can deliver your first item free of charge to act as a trial run - if it doesn't sell, it's on us.
